

# CAMPBELLTOWN COMMUNITY ALLIANCE NEWSLETTER

NOVEMBER 2024

## Message from CCA

Hello Friends!

2024 was a great year for CCA! We were able to complete projects, host fundraisers, and still make new friends!

Some of our events included Campbelltown Community Park's Playground Dedication Ceremony, Campbelltown's Annual Community Clean Up Day, Snitz Creek Brewery Fundraiser, and Palmyra's Great Give Event.

Some of our projects included planting/maintaining the summer flowers in the barrels, planting/maintaining flowers around the "Village of Campbelltown" sign, and maintaining the roundabout landscape.

Future Projects for CCA:

We are currently planning to add more amenities to Campbelltown Community Park. These projects include a new message board, a little library, a buddy bench at the playground, and doggie waste bag dispensers. We are super excited to add some or all of these to the park, so stay tuned.

Look out for 2025, because here we come!!

Your Friends,  
CCA Board of Directors,  
Jennifer Bushta, President; Jamie Miller, VP & Secretary; Stefanie Fogg, Treasurer and Members at Large; Karla Trout, Ralph Duquette, and Josie Ames

### SOS VOLUNTEERS NEEDED!

Like what you're seeing in Campbelltown? Do you want more? If so, read on!

You may have noticed beautiful flower barrels throughout our downtown, or a landscaped roundabout with American Flags on National Holidays, or driven by our "Village of Campbelltown" signs that now let visitors know where they are, or you may have attended a fun Annual Holiday Tree Lighting Event in Campbelltown Community Park, or you may have seen volunteers cleaning up our streets and park on our annual Community Cleanup Day, or you may have had a picnic under the new pavilion or taken your children/grandchildren to the brand new playground in Campbelltown Community Park.

You may have also noticed that Campbelltown is a great place to be! But did you know that it takes a village to have all these things?

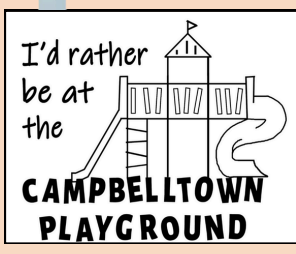

That's why Campbelltown Community Alliance is here. Our main goal is to revitalize Campbelltown. That's not our only goal though. We also want to have fun doing it and meet our neighbors as well. Life gets busy. We know that, but we also know that it takes a Village to keep a community strong and vibrant. Many hands can make many things happen, and that's what we all want for Campbelltown. We want things to happen. So, if you like what you're seeing and want to see more, join us!

Contact us and get involved. We can't wait to hear from you!
