

CAMPBELLTOWN COMMUNITY ALLIANCE

NEWSLETTER MARCH 2025

Message from CCA

Hello Friends! A new year is upon us and CCA has been busy!

You will see, CCA has cleaned out the 15 flower barrels, in preparation for spring! Soon you will see beautiful daffodils and tulips blooming! I know we are ready for color and signs of spring!

We are working hard on adding new amenities to the park! Stay tuned for more!

We are always looking for new CCA members, please reach out if you want to be part of something special in our little village of Campbelltown. Whether you want to be a full-time member or a volunteer for one of our special projects or events, we are happy to have you! We always have fun while giving back to the community. Please reach out if you have any questions!

Your Friends,
CCA Board of Directors,
Jamie Miller, President; Ralph Duquette,
Vice-President; Jennifer Bushta,
Secretary; Stefanie Fogg, Treasurer and
Members at Large; Karla Trout, and Josie
